

**We are pioneers for innovative Solutions. We show you how you can use modern technologies for your requirements.**

# PLAN.NET TECHNOLOGY

Full Digital Lifecycle Service Provider

## ABOUT US

Plan.Net Technology regards itself as the connecting link between IT and Marketing.

We offer full service expertise in all areas of the digital value chain, and show you how you can use modern technologies for your needs.

Together with our 60 person team, we not only pave the way for innovative solutions but also implement them professionally. Qualitatively. Within budget. To deadline.

With the help of our long-term knowledge in the areas of IT consulting, website and app development, and the unique network of experts within the group, we are a one-stop shop providing holistic 360 degree solutions.
